Clark County Elections is thrilled to introduce TextMyGov, <https://textmygov.com>, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications and easily find election information by texting. For more information about TextMyGov, please visit <https://textmygov.com>

Clark County Elections will officially launch the new text messaging system to the public on January 13<sup>th</sup>, 2026. Residents may receive a text message from 80946 from Clark County elections initiating this service. You can choose to opt-out any time by texting **STOP**. If you don't receive this in an initial message, you can choose to opt-in by texting the key words "**Clark Elections**" to the number 80946. After sending the initial keyword you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for election information.

Also starting soon, residents will be able to receive on demand information 24/7 by texting 1-2 keywords to Clark County's TextMyGov number, **859-249-9449**. You will be able to get quick information concerning elections.

Clark County's use of this technology is another example of how our community enhances resident services by implementing 21<sup>st</sup>-century solutions. We are excited about this new way of communicating with our residents and look forward to sharing important election notifications. Many other governmental entities across the country are utilizing this system with great success. Stay informed and stay ahead.
